DETAILED ACTION

1. The terminal disclaimer filed on 12/19/06 disclaiming the terminal portion of any patent granted on this application, which would extend beyond the expiration date of U.S. Patent 7,093,092 has been reviewed and is accepted. The terminal disclaimer has been recorded.

Allowable Subject Matter

2. Claims 1-8 are allowed.

3. The following is an examiner's statement of reasons for allowance:

The limitations of independent claim 1 do not appear to be found in the Prior Art of Record.

The Prior Art does not teach nor suggest in the claimed combination a prefix search key apparatus for storing a prefix key comprising a plurality of memory banks, the number of memory banks **determined by at least the number of ordinates within an n-dimension representation**, the n-dimension representation defining a coordinate system, each bank associated with one of the ordinates within the n-dimension representation, each bank having at least a number of memory locations equal to the largest valid value for its associated ordinate, each ordinate representing a memory location within the associated memory bank; in combination with a format module for masking and a conversion module for converting.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
